

WEATHER-RELATED EMERGENCIES

If at any time weather conditions force the postponement or cancellation of school in CRCS, the following procedures will be followed:

- A. Announcements will be made over local radio and television stations, the list to be determined and updated annually by the Executive Director.
- B. For the school year 2012-2013, school will not be canceled for weather-related conditions due to the October 1<sup>st</sup> start. Parents and staff will be advised to make their own safety judgments.
