FOSTERING RESPONSIBLE, INDEPENDENT, HAPPY, CURIOUS LEARNERS

Facilities Committee Meeting October 8, 2014

Overview: There has been a lot going on regarding facilities.

Doors: The new front doors are in.

Heat: There is heat in the Hogate Library!

Roof: G&E roofing is sending a survey crew to do a comprehensive inspection of the entire roof and run an estimate for replacement of the gym roof. The inspection and estimate will be done within two weeks and they could start working as soon as Nov 1. Committee recommends that there be a line item added to next year's budget for a maintenance contract,

Windows: Reminder for Justin to order the replacement windows as soon as possible.

Custodial/Maintenance: Recommend increasing the day custodian position to a full time custodian/maintenance position.

Other: NUME, our certified water contractor, took our quarterly water sample for Ecoli and coliform and it passed.
