

CORNVILLE REGIONAL CHARTER SCHOOL

FOSTERING RESPONSIBLE, INDEPENDENT, HAPPY, CURIOUS LEARNERS

CRCS Facilities Meeting

8-2-2014

Attending: Carrie Tessier, Jean Walker, Jake Daigneault, Justin Belanger, Travis Works

This was an organizational meeting to discuss summer projects and begin the focus of the fall/winter projects.

Roof: Justin shared his contact with G&E Roofing and their proposal.

Windows: The committee thought the best plan would be to replace the former library's windows over Columbus weekend and possibly replace the two other classrooms over Christmas vacation. Ken's room will be mudded and painted before school starts.

The girls' bathroom has been fixed so that there are separate spaces with dividers and locks.

Well head and ramp projects – Justin is waiting on one more bid.

Bid for the front door/buzzer is around \$7800.

CTI project of phones/intercom- We will be adding the outdoor area using money from the CSP grant.

Submitted by Jean Walker

The next Facilities Committee meeting will be held on Wednesday, September 10th at 6:00
