FOSTERING RESPONSIBLE, INDEPENDENT, HAPPY, CURIOUS LEARNERS

Governance Committee Meeting Minutes

May 25, 2016

A meeting of the Governance Committee of Cornville Regional Charter School was held on May 25, 2016 at the school. The following were present: Jean Walker, Travis Works, Stephanie Miller, Lorri Cahill, Jason Herrick, Ashlee Savage

Discussion:

The committee's discussion centered around options for CRCS's Leadership Structure. Currently we have Travis Works as Principal and Rich Abramson as interim Executive Director. Included in the discussion were the additions of a Head Teacher position and Teacher Leaders for various functions, such as curriculum, technology, etc. The Head Teacher would report to the Board.

Travis also shared a draft letter of support from CRCS for the Maine Street Skowhegan Comprehensive Plan.

Recommendations: The Governance Committee recommends the Board accept the amendments to the CRCS Leadership Structure pending discussion at the next Board meeting.

There will be a special Board meeting on May 31st at 6:00PM.

Respectfully submitted,
Lorri Cahill
